

Springtime Folly Shadow Box Labels

A Fresh Design Idea From Karina Hittle of Artful Offerings™
Designed to be used with the Vibrant Spring Pattern No. 2006064

~ Follow Manufacturers Directions When Printing On Fabric ~

Quilt brightly colored coordinating fabrics for the background and frame of the shadow box. Attach a vibrant daisy ornament to a piece of baby rick rack that is attached to the frame. This enables the ornament to hang freely inside the box. Print labels out on heavy card stock or printable fabric, then glue or stitch a label to the bottom of the quilted frame. This idea is guaranteed to "keep spirits bright" all year long!!!
