REGAL  RABBIT

Pattern No. XS16157

REGARDING A LINEN COLOR-ERROR ON THE BACK COVER OF THE REGAL RABBIT PATTERN

Some Regal Rabbit pattern charts refer to the Linen color as **Avocado**. *This is incorrect.*

The correct color is **Guacamole**. We have since added some spice to change *Avocado* to *Guacamole*, and updated the back cover of the pattern chart to reflect the correct color. ;-)

***Please See Below:***
